Guide Prices

Where a guide price is given that price is not to be taken as an indication of the value of the lot or of the reserve price. Pre-auction guide prices are based upon the initial anticipation of the sale price of the property at Auction. The reserve price for each of the lots may exceed the quoted guide price and eventual guide price.

You must before leaving the auction:

- Provide all information we reasonably need from you to enable us to complete the sale memorandum (including proof of your identity that complies with money laundering regulations)
- Sign the completed sale memorandum and
- Pay the deposit

We may retain the sale memorandum signed by or on behalf of the seller until we receive the deposit in cleared funds.
